How to Play BINGO:

- 1. Read the BINGO card and get excited for all the things your child will learn to do this year!**
- 2. Mark off any things your child is already doing using a small sticker, tick mark, highlighter, etc.**
- 3. Identify themes/characters/activities that already motivates your child to move his/her body. (i.e. transportation, dinosaurs, super heroes, etc.)**
- 4. As you play with your child, you will naturally notice the new things he/she is doing. Enjoy checking these boxes off on the BINGO card!**
- 5. Enjoy getting BINGO across, down, diagonal, 4-corners or full card BINGO as the year progresses.**

Remember, this is meant to be FUN for the whole family! Enjoy watching your children grow and reach different goals. Do NOT go out of your way to be the instructor.

BE A PARENT! LET YOUR KIDS BE KIDS! ENJOY THE RIDE!

If at any point you do have concerns, we are always here to help- just reach out! We have many FREE resources on our website and a variety of FREE parent talks throughout the year.
